

## Declaration of Intent on the Operation in Compliance with the Integrity and Transparency Policy

### Dean of the School of Information and Communication Technology

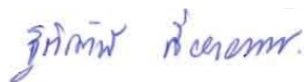

The School of Information and Communication Technology (ICT) is committed to teaching, research, community services, culture conservation, and management. They all comply with the policies and the direction of the University of Phayao. The ICT has been aware of the issues and impacts of corruption; thus, committed to develop itself to be a transparent, honest, integrity, and corruption-free body to be in line with principal of good governance. The ICT discloses its determination on the corruption prevention and anti-corruption measures based on The National Strategy on the Prevention and Suppression of Corruption (AD 2017-2021). The ICT therefore announces in management to lead the agency with honesty, integrity and transparency as follows:

#### 1. Work Integrity

ICT's executives and personnel shall strictly follow their policy to manage all works with honesty, integrity and transparency to be a strong and corruption-free organization. Moreover, the ICT will provide the public with opportunities to inspect for their compliance.

#### 2. Transparency

ICT's executives and personnel shall perform their duties enthusiastically with integrity and transparency based on The Guidelines for the Evaluation of Ethics and Transparency in the Operation of Government Agencies. They are all 6 aspects: to be transparent, to be courageous to take responsibility, to be zero corruption, organizational integrity, moral agency, and agency communication respectively.

Assistant Professor Thitirath Cheosuwan, Ph.D.
